

CIRCA XL

S C O O P L E D

DES CRIP TION

The Circa Scoop XL LED is a larger addition to the Circa Scoop LED Series. This is a larger next-level unit designed with four different elements that can be used in multiple applications. It is built with lightweight housing, the Circa XL features a variety of technological components that add a one-of-a-kind look to any concert, church, theater, or club.

The Circa Scoop XL LED isn't like any other fixture, with a retro look and modern twist it is an upscale unit designed to liven up any setting it is used in. Whether placed on the floor or rigged, this unique fixture can make any band or performer stand out from the rest.

The Circa Scoop LED has the design and effects you've been looking for, let its multiple elements make you stand out.
