

TUFF BABY^{VW-42}

DES CRIP TION

The Tuff Baby VW-42 is an ETL listed LED lighting fixture that's weathered for outdoors and can still be used indoors. This compact IP 64 rated unit packs a punch with 7 tri Amber, Cool White, and Warm White 6-watt LEDs.

It has a 25° beam angle and also comes with a removable diffuser that creates a 30° diffused beam angle. The Tuff Baby VW-42 is equipped with 3 pin XLR Sockets for DMX input and output and a weather seal screw-type power connection. The fixture has a double mounting yoke for simple rigging or ground stacking. It is controlled via DMX 512, featuring 6 channels, and master-slave control options.

Features.
