

TUFF BABY P-84

DESCRIPTION

The Tuff Baby P-84 is an LED ETL listed lighting fixture that's weathered for outdoors and can still be used indoors. This compact IP 65 rated unit packs a punch with 7 penta RGBWA 12-watt LEDs. The addition of amber and white LEDs allows for pastel hues and varied tones that cannot be achieved with RGB LEDs alone.

It has a 25° beam angle and also comes with a removable diffuser that creates a 30° diffused beam angle. The Tuff Baby P-84 has 3-pin XLR DMX connectors and a weather seal screw-type power connection.

The fixture has a double mounting yoke for simple rigging or ground stacking. It is controlled via DMX 512, featuring 8 channels and master-slave control options.

Features.

COLOR MIXING

The Tuff Baby P84 is equipped with 7 penta RGBWA 12-Watt LEDs. The addition of amber and white LEDs allow for pastel hues and varied tones

DMX CONTROL

Easily control with DMX 512. Double mounting yoke for simple rigging or ground stacking, ideal for touring or permanent installations.
